Time-Limited Relationship

/time' lim`it' rə' lāSH(ə)n, SHip/ /

Relationship that ***expires***

Time-Limited Relationship

/time' lim`it' rə' lāSH(ə)n, SHip/ /

Relationship that ***expires***

Often occurs with some kind of ***events***

Time-Limited Relationship

/time' lim`it' rə' lāSH(ə)n, SHip/ /

Relationship that ***expires***

Often occurs with some kind of ***events***

Awkward to deal with

Time-Limited Relationship

/tɪm'e' lɪm'ɪt' rə' lāSH(ə)n, SHɪp/ /

Relationship that ***expires***

Often occurs with some kind of ***events***

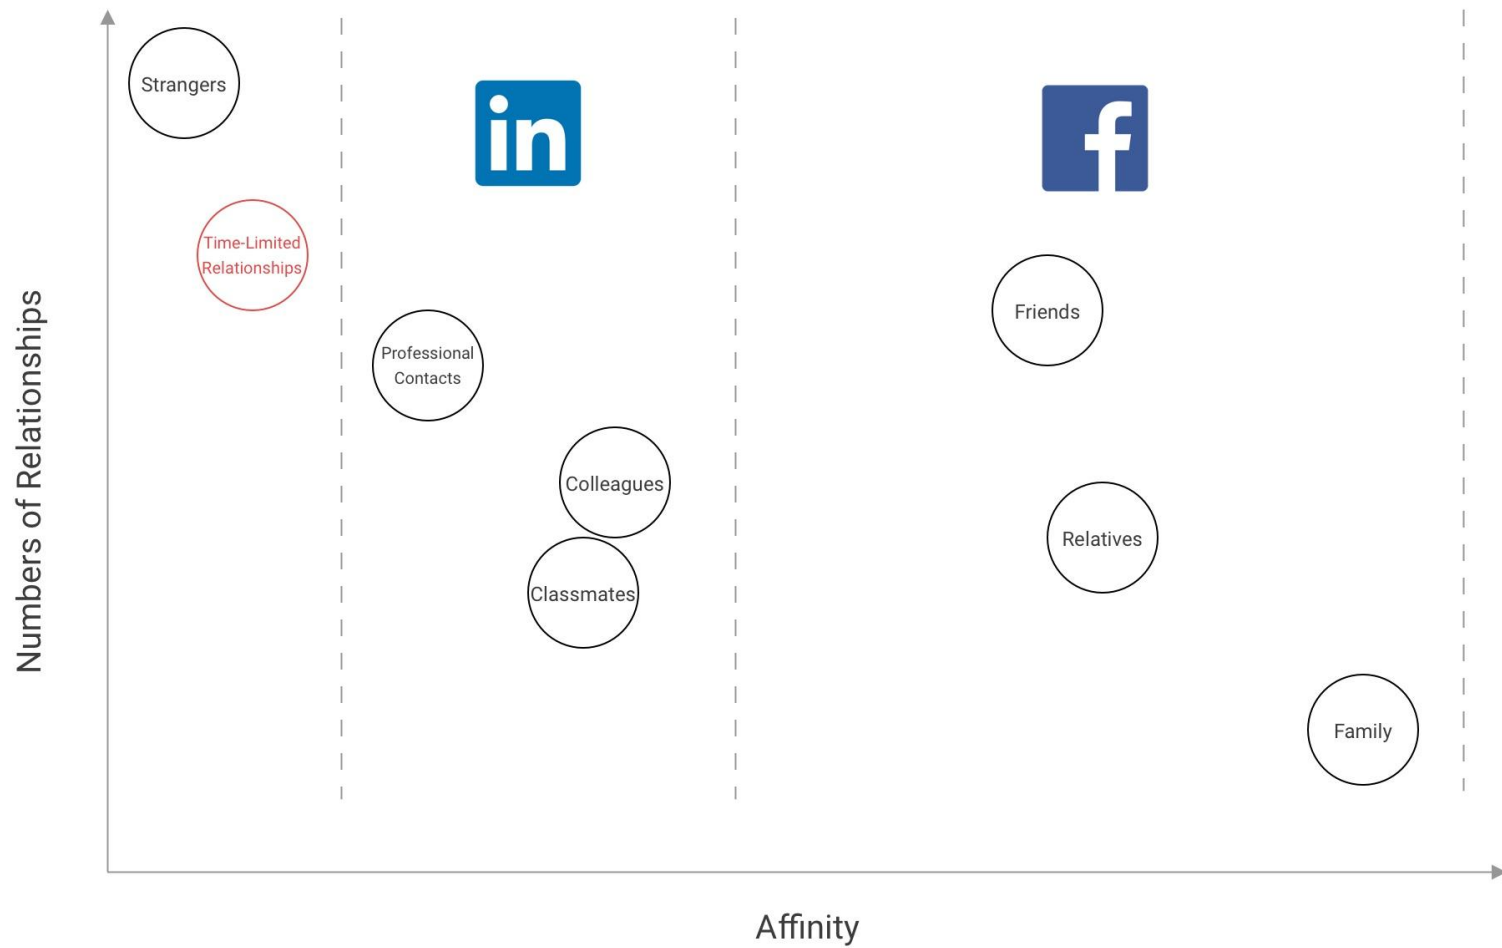

Awkward to deal with

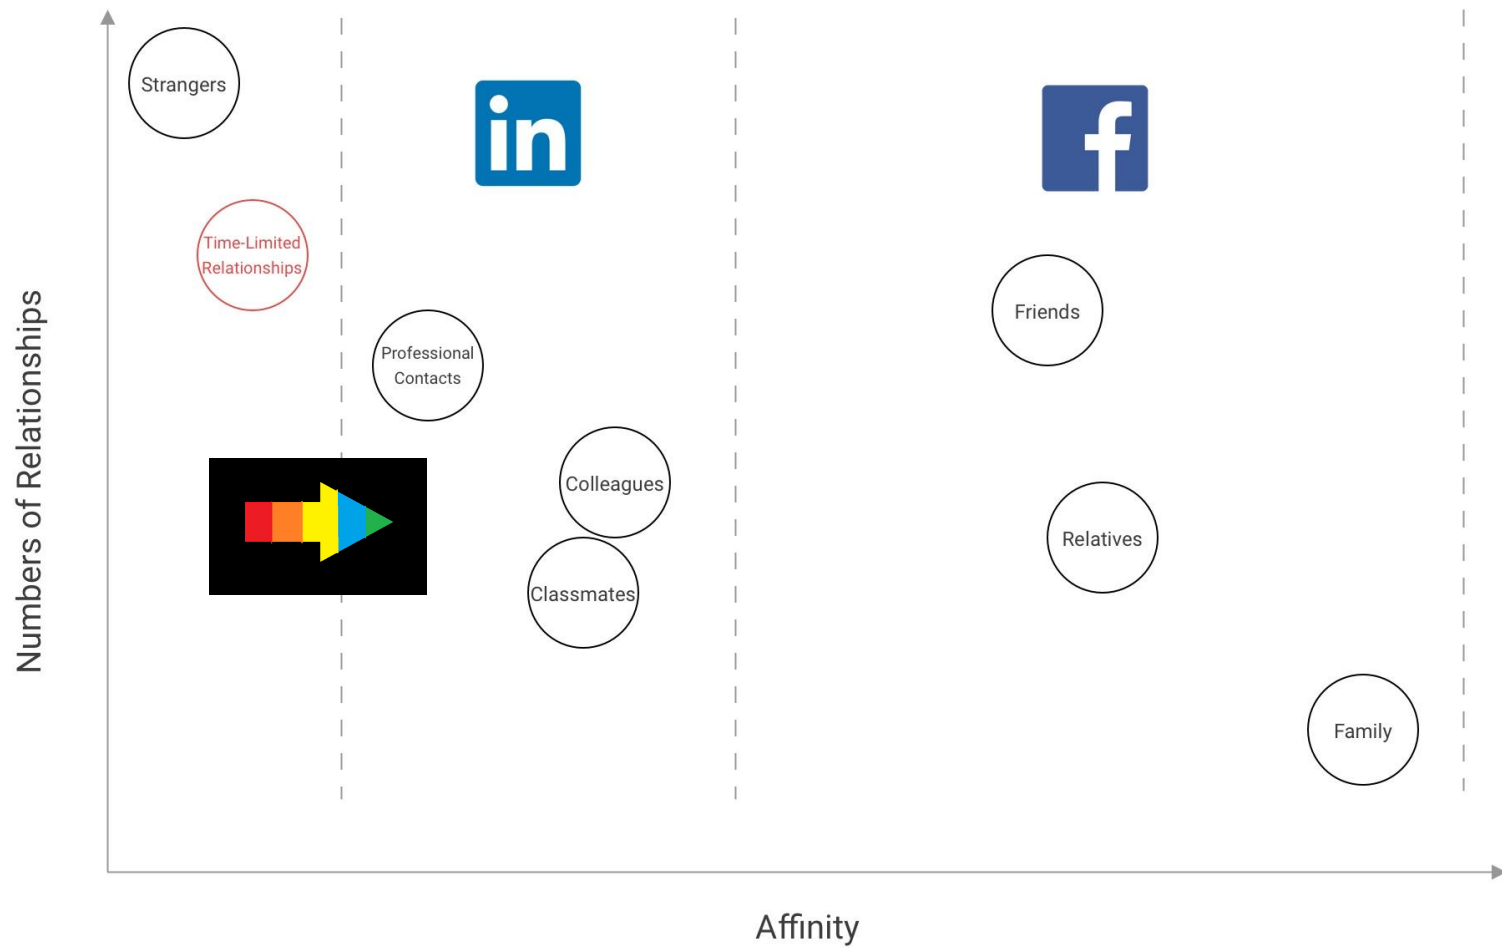

Could be either ***current*** or ***potential***

Time-Limited Relationship

/tɪm'e lɪm'ɪt' rə'lāSH(ə)n,SHɪp/ /

Relationship that *expires*

Often occurs with some kind of ***events***

Awkward to deal with

Could be either *current* or *potential*

An event-focused platform that helps people in time-limited relationships to communicate better and develop better relationships with each other

An event-focused platform that helps people in time-limited relationships to communicate better and develop better relationships with each other ???

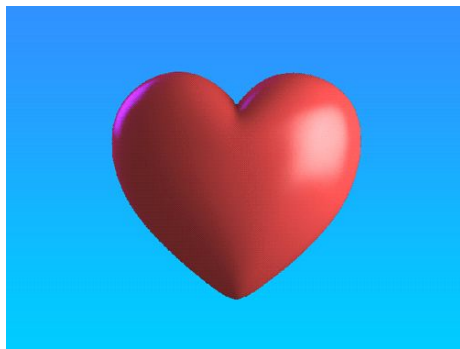

Searchable Log of All Conversation and Knowledge

Assumptions

1. Some relationships expire with events
2. Protected, expiring personal contacts promote TLR communications
3. Purposeful communications are more valued in TLR (title & description)
4. What event utilities have to be included

Time-Limited Relationship
